

NAVCO's Commitment To Doing The Right Thing, Grows The Relationship

The Challenge

With over 120 locations, MB Financial represents one of the largest Midwest regional banks. Their dedication to consistently doing the right thing "even when no one is looking" is one of the maxims the company prides itself on, and has contributed to their success over the last 100 years.

In 2007, MB Financial became concerned with its existing video security system within its various branch locations.

The Solution

In 2007, NAVCO provided an initial pilot program utilizing March Networks components. After the successful pilot program NAVCO was engaged for an initial 5-store installation.

The Results

Since then, NAVCO has installed integrated solutions in over 120 retail branch locations and, developed MB Financial into a key national account in the Midwest. MB Financial continues to utilize NAVCO's security services throughout their acquisitions and new locations.

Highlights

- > NAVCO was awarded new video security contracts for all MB Financial's properties nationwide.
